

TLI31216 Certificate III in Driving Operations (Release 4)

The Certificate III in Driving Operations is designed to develop a broad range of competencies:

- Increase awareness of legislation requirements in the transport industry
- Enhance your skills in safety
- Route planning
- Road craft
- Fatigue management
- Load restraint and more.

Gain the qualifications you need to be a part of this growth industry and help keep Australia moving.

QUALIFICATION DESCRIPTION:

This is a qualification for those engaged in driving operation job roles within the Transport and Logistics Industry. It involves a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, with some discretion and judgement in selecting equipment, services or contingency measures and within known time constraints

We achieve results by ensuring that our training programs are:

- Flexible, innovative, current practice, interesting and engaging
- Driven by workplace outcomes

DELIVERY & DURATION:

- Workplace-based delivery over 12 months
- Practical hands on application to support learning.
- Our Trainer/Assessor is in the workplace
- Observation, Questioning, Third Party Reports, Workplace Evidence

COURSE FEES:

Please contact David Pinnock for course cost and further details on 0409 040 620
